Last Review Date	July 2024	**Next Review Date**	July 2026
Sports Premium carried forward from previous year (July 2024)	£0	**Sports funding September 2024-July 2025**	£19,182.44

What is Sports Premium?

The Sports Premium is a government grant provided to primary schools in England to improve the provision of physical education and encourage more children to lead active, healthy lifestyles. Introduced in 2013, the funding is aimed at ensuring sustainable improvements in PE and sport within schools.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of Funding

At Spurcroft Primary School we are committed to using the Sports Premium gran to benefit all pupils regardless of sporting ability; that the ablest children are given the opportunity to attend training and to complete in advanced tournaments; that opportunities are available for all children to represent the school in non-elite competitions and that staff have access to training opportunities and continued professional development.

Spurcroft Primary School will receive £19,182.44. for the academic year 2024/25.

Professional Development for school staff and Specialist Staffing (non PPA)

What	Who	Cost	Effect	Impact?
External PE Specialised Coaches taking PE lessons as part of CPD for all staff. Teachers in each year group have identified an area of the curriculum that they would benefit CPD for. Each year phase will be taught by External PE Specialised Coach for one half term.	Sports coaches from 'Footy Skills' to lead lessons	£6,560	High quality lessons for pupils led by experienced coaches, providing professional training for teachers and TAs on the job.	By co-teaching with a qualified coach, staff have gained practical strategies, subject knowledge, and technical skills, which has helped to build their confidence in delivering specific aspects of the PE curriculum Unlike one-off training sessions, this approach has allowed for ongoing, in-context learning, where teachers developed their skills over time in a familiar classroom setting. Pupil have benefited from a more confident and skilled coach, leading to increased enjoyment, participation, and progress in PE.

Total Expenditure: £6,560

A uniform kit promotes a sense of belonging and pride among pupils. It helps build team spirit and unity, making players feel they are representing their school as a collective group.

Total Expenditure: ££6,560

Future Plans (and these are sustainable)

- Continue to develop extra-curricular provision to ensure that there is a good variety of clubs on offer to children that meet the interests of different children. Create a yearly plan with different sporting focuses each term.
- Increase extra-curricular clubs with a less competitive focus, to ensure that all children are inspired to enjoy active activities.
- Increase competition and match opportunities for less competitive pupils in order for them to represent the school and build confidence and self-esteem through physical activity.
- Ensuring that all equipment is appropriate for the curriculum and there is enough for each pupil to access the lesson.
- Choose Year 6 sports ambassadors with increased responsibility for PE. Give opportunities for ambassadors to support in extra-curricular clubs, tournaments and events, lead lunch clubs and organise equipment.
- Focus on developing physical opportunities for outdoor learning through forest school guidance and input.
- Create equal opportunities for pupil premium children and encourage these children to attend clubs.
- Develop staff skills, understanding and confidence to deliver high quality PE sessions through specialist sports coaching. Teachers to observe and support lessons under the guidance and modelling of coaches.
- Maintain Gold Games Mark Award.
