Sports Premium Report 2022/23

Spurcroft Primary School

Review

Approved by	Mrs K Flowerdew Headteacher	**Date**	July 2023
Last Review Date	January 2023	**Next Review Date**	January 2024
Sports Premium carried forward from previous year (April 2022)	£1,813	**Sports funding October 2022-April 2023**	£19,540

What is Sports Premium?

The Government is committed to providing substantial primary school funding. This funding is being jointly provided by the Department of Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of Funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they will do this.

The Governors have agreed that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to attend training and to complete in advanced tournaments and that staff have access to training opportunities and continued professional development.

Spurcroft Primary School will receive £19,540. for the academic year 2022/23, via two payments of £11,398 in October 2022 and £8,142 in April 2023.

Total Expenditure: 130.00				

Future Plans (and these are sustainable)

- Develop extra-curricular provision to ensure that there is a good variety of clubs on offer to children that meet the interests of different children. Create a yearly plan with different sporting focuses each term.
- Increase extra-curricular clubs with a less competitive focus, to ensure that all children are inspired to enjoy active activities.

- Ensuring that all equipment is appropriate for the curriculum and there is enough for each pupil to access the lesson to be done by the house captains.
- Choose Year 6 sports ambassadors with increased responsibility for PE.
- Focus on building children's wellbeing and promoting Healthy Lifestyles through curriculum teaching.
- Create equal opportunities for pupil premium children and increase the children attending clubs.
- Develop staff skills, understanding and confidence to deliver high quality PE sessions through specialist sports coaching. Teachers to observe and support lessons under the guidance and modelling of coaches.
- Maintain Gold Games Mark Award.
