18 September 2026

Dear Parents and Carers,

RE: School Flu Vaccination Programme - Tuesday 3rd November 2026

Your child is eligible for their free annual flu vaccination as part of the School Flu Vaccination Programme.

The vaccination session for Spurcroft Primary School will take place on **Tuesday 3rd November 2026.**

We need a response for every eligible child, whether you would like your child to receive the vaccination or not.

Action required:
Please read the attached information carefully and click on the relevant link within the attached form to complete your child's flu vaccination consent form.

Please do not email the school office with your consent or response. The consent form must be completed using the online link provided in the attached information.

You can choose either:
- Nasal flu vaccination – the usual option for most children
- Injectable flu vaccination – available where the nasal spray is not medically suitable or for personal, religious or other reasons

Please note that the nasal spray contains a small amount of porcine gelatine, while the injectable vaccine does not.

The consent deadline is 9am one full school day before the vaccination session.

Please see the attached information for full details and, most importantly, the links to complete the consent form.

Thank you for your cooperation.

Kind regards,

Mrs Jo Griffiths
Headteacher
