Dear Parents and Carers,

Pupil Acceptable Use Policy (AUP)

As we begin the new term, we are updating our **Pupil Acceptable Use Policy (AUP)** for computing and online safety. This agreement helps ensure that all children understand how to use technology safely, responsibly and respectfully while at school.

Over the coming week, we will be discussing these online safety guidelines in class. Each pupil will then be asked to sign their year-group agreement to show they understand and agree to follow our digital safety rules.

What you need to do:

- Please take a moment to review the Acceptable Use Policy with your child so they feel confident about what is expected.
- You do not need to return a signed paper copy, as pupils will complete their sign-off directly in school.

If you have any questions, concerns, or wish to discuss the policy further, please feel free to reply directly to this email or contact me at nrankin@spurcroft.w-berks.sch.uk.

Thank you for your continued support in keeping our children safe online.

Warm regards,

Mrs. Rankin
ICT Co-ordinator
