25 June 2026

Dear Parents and Carers,

Update: School Arrangements Due to Extreme Heat

Thank you for your continued understanding as we work through these extreme weather conditions.

The Met Office has extended the Red Alert for our area until 9:00pm on Friday, so we have made the decision to adapt the school day for tomorrow, and make it the same as today.

Friday:

- School will be open as normal in the morning.
- There is the option for families to keep children at home due to concerns about the heat. These absences will be authorised.
- School will close at 1:00pm in the afternoon, with the same collection arrangements as today.

For families choosing to keep children at home, learning resources are available on our website here: https://www.spurcroft.w-berks.sch.uk/remote-learning-resources/

Summer Fayre
This is being postponed due to the current situation. Please do not bring in any donations for the Summer Fayre at this time. We will confirm a new date as soon as possible and will share further details, including when donations can be brought into school.

Wild Wood Club
Wild Wood Club will be open as normal for Breakfast Club. However, the afternoon session will be closed.

We will continue to monitor the forecast and review our on-site risk assessment.

Thank you again for your patience, understanding and support as we manage these exceptional conditions.

Kind regards,

Kate Flowerdew
