22 June 2026

Dear Parents and Carers,

Key Stage One and Two Sports Day

Our School Sports Day will be held on **Thursday 2nd July**. Following the success of last year's Key Stage 1 and Key Stage 2 Sports Day, we will once again be holding a combined event for all KS1 and KS2 pupils.

Many of our families have children in both key stages, and a combined Sports Day means parents and carers only need to attend one event. This helps to avoid the difficulties some families experience when trying to attend multiple events within a short period and makes participation more manageable alongside work and other commitments. We are looking forward to bringing together all our pupils, staff, and families to create a positive and collaborative atmosphere. The event provides an opportunity for older and younger pupils to support and encourage one another, while fostering excitement, engagement, and a strong sense of community across the whole school.

Sports Day will start at 9.30am and will finish following a family picnic. If it is raining heavily on the Thursday morning or it has rained overnight, so that the grass is too wet for the children's safety, we will send a messgae to reschedule. If the weather is forecast to be particularly hot on that day we may also reschedule.

We welcome the whole family to join us to watch the sport events and to eat lunch with the children. After dropping your child off at school at 8.45am we ask that parents leave the school playground and wait off site, while staff set up for the event. The main school gate will be locked at 9am and reopened at 9.15am for parents to sign in and wait for the events to start. Please note, that if you leave the event at any time, you must sign out and then sign back in again. This is for safeguarding purposes and to ensure that we know how many adults are on site.

The pupils will come out at 9.30am in their year groups and go straight to their first event. Parents will then be able to move to that event and watch from the spectating area. We will send out a timetable closer to the time, which tells you the timings for each event that your child will participating in. If you have more than one child in school, this will help you to decide who you watch and when, or if you want to split yourself with other family members who are also attending.

The children will participate in a variety of activities, such as; the hurdle race, running, javelin and high jump and will rotate round each activity as a carousel in year groups. Afterwards, the children have a picnic lunch on the field with family members and friends.

The family picnic lunch will take place on the field after sports day. Please bring a picnic lunch for your child to enjoy with you. At the end of lunch, the children will be going back to their classes for afternoon lessons. No hot school meals will be served on this day; however, picnic bags will be available for your child to order from the kitchen and those on free school meals will be provided with a packed lunch on the day. The picnic will finish at 12:30pm, and we kindly ask that family members make their way off site at this time.

If you are unable to come and watch our Sports Day or stay for the picnic, your child can join another family / friend group **if their teacher has written permission from you beforehand.**

Please send your child into school in their PE kits on the day. Please ensure that your child wears appropriate shoes (trainers or plimsolls) and provide a sun hat, a healthy snack and a drink of water in a non-breakable container (not fizzy), and apply sunscreen in the morning.

Kind Regards,

Mrs Davey
Assistant Headteacher and SENCO
