19 June 2026

Dear Parents and Carers,

Clothing for Pupils During the Heatwave

We are expecting higher temperatures during school hours next week.

If pupils find their usual polo shirts and skirts/shorts too warm, they may wear their school PE kits from Monday 22nd June to Friday 26th June. Please note that T-shirts must cover the shoulders to help reduce the risk of sunburn.

We are taking steps in school to keep children safe and comfortable, including limiting time spent in direct sunlight and keeping classrooms as cool as possible.

We will be encouraging children to:

- Reapply sun cream throughout the day
- Play in shaded areas during break and lunchtime
- Wear a sun hat when outside
- Drink water regularly

You can support us by:

- Applying sun cream to your child before school
- Sending your child to school with a hat, sun cream, and a full water bottle
- Ensuring PE kit follows our guidance: a plain white T-shirt (no strappy or vest tops) and dark-coloured shorts

Please ensure all items brought into school are clearly named. Staff will support children with applying sun cream if needed, but children should be able to rub it in themselves.

Thank you for your continued support in keeping all children safe during the warmer weather.

Kind regards,

Mrs K Flowerdew
Headteacher
