10 March 2026

Dear Parents and Carers,

School Uniform

We would like to take this opportunity to remind everyone of the school's expectations regarding uniform.

School uniform for girls includes a knee-length skirt. Recently we have noticed that some skirts are significantly shorter than this. We kindly ask parents and carers to ensure that skirts worn to school are an appropriate length in line with our uniform policy.

We would also like to remind families about appropriate clothing on PE days. Shorts worn for PE should be an appropriate length and longer than the children's jumpers. Unfortunately, we have seen some shorts that are much shorter than expected for school wear.

We understand that for our Year 6 pupils, primary school is coming to an end and children are growing quickly at this stage. However, there are many reasonably priced uniform options available from local supermarkets, which can help ensure children are still meeting school expectations for these final months.

Thank you for your continued support in helping us maintain a smart and appropriate standard of dress at school.

Kind regards,

Kate Flowerdew
Headteacher
