03 February 2026

Dear Parents and Carers,

Year 3 Trip- OXFORD UNIVERSITY MUSEUM OF NATURAL HISTORY
Wednesday 22nd April 2026

We are very pleased to let you know we are hoping to book an exciting trip to OXFORD UNIVERSITY MUSEUM OF NATURAL HISTORY for Year 3 pupils on Wednesday 22nd April 2026. It will be a stimulating first-hand experience and bring their Science and History work to life. Children will learn how all types of animal skeleton share the same functions; support, protection, and movement as they investigate each one in this hands-on session rich with real museum specimens. This session looks at hydrostatic skeletons, the shared skeletons of corals, as well as exo- and endoskeletons (including our own). Pupils will also learn about bone growth, structure, and health.

We plan on departing at approximately 9:00 am and will return around 3:00pm (depending on traffic).

We will be asking for a voluntary contribution of around £15.00 that covers the talk, insurance and coach fares.

Before we are able to book this trip, we need to know how many children would like to attend. In the case of insufficient contributions, the trip will not be able to go ahead.

Please could you indicate if you would like your child to attend this trip by clicking on the link below, 9AM Monday 9th February 2026.

https://forms.office.com/Pages/ResponsePage.aspx?id=10FTsAhFs0qa48CCwc19IvbUPMrOaPVMuTqMJq2DCJtUQ1UyTTBRUkJXWVdGTjE3WjVSMTgxTldPRi4u

We can then gauge the level of interest, finalise the cost, set up the payments on MCAS and secure the booking.

Thank you and kind regards,
Year 3/4 Team
