02 February 2026

Dear Parents and Carers,

Safer Internet Day – Live Lesson

We would like to let you know that pupils in years 3-6, will be taking part in Safer Internet Day, the UK's largest annual event focused on online safety.

The theme for Safer Internet Day 2026 is "Smart tech, safe choices – Exploring the safe and responsible use of AI." Children will learn how to use technology and artificial intelligence safely and responsibly, including how AI is designed to avoid harmful or biased behaviour.

As part of the day, pupils will watch a 30-minute live lesson at 11:00am on Tuesday 10 February**,** where they will help program an AI chatbot and learn through an interactive session. The lesson will be available on the CBBC channel and BBC iPlayer.

If parents would like further information on keeping children safe online, helpful guidance is available from the NSPCC at:

https://www.nspcc.org.uk/keeping-children-safe/online-safety

Thank you for your continued support.

Kind regards,

K Flowerdew

Mrs Flowerdew
