Dear Parents and Carers,

'Be the Bookworm'

In EYFS, we are excited to introduce you to 'Be the Bookworm' which will be starting after half term.

Over the course of the year, each child will be invited to bring in their favourite book from home to share with the class. On their special day, your child will help the class teacher to read the book and will have the opportunity to talk about why it is their favourite. This may include sharing what they like about the story, the characters, or the pictures.

This activity is designed to build confidence, develop speaking and listening skills, and encourage a love of reading. It also helps children feel proud to share something special from home with their friends.

Please ensure your child brings in a book they are comfortable sharing and talking about. We will take great care of all books while they are in school.

Before half term, your child will come home with a slip of paper telling you the date on which they need to bring their book into school. We will also put a timetable in the classroom windows just to help you remember.

We look forward to enjoying lots of wonderful stories together!

Thank you for your continued support.

Kind regards,

The EYFS Team
