26 September 2025

Dear Parents and Carers,

Reading Records

We are pleased to let you know that your child will be bringing home a Reading Record as part of our ongoing commitment to supporting reading both at school and at home.

Please note that this Reading Record is intended to be a log for parents and carers to record any reading done at home. We encourage you to write a brief comment and the number of pages read each time you read with your child. This helps us build a clear picture of their reading journey and promotes a strong home-school partnership. Staff will collect them on Monday morning, so please ensure they are in your child's bag that morning.

Please be aware that school staff will not be writing in the Reading Record when your child reads at school. We monitor and assess reading in school through our own internal systems and records.

Thank you for your continued support in helping to develop your child's love of reading. If you have any questions, please don't hesitate to get in touch.

Kind regards,

Mrs R Davey

Acting Deputy Headteacher and SENCO
