4. Ranjit is definitely coming to the food festival with me, probably. ☐

FLUENCY 4

Write sentences using the adverbs below.

obviously

clearly

maybe

of course

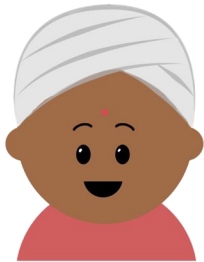

YR6 PROGRESSION IN MASTERY LESSON PACK - ADVERBS FOR DEGREES OF POSSIBILITY

REASONING 1

Ranjit thinks that the verb 'explain' has been modified by the adverb 'surely'.

Surely, Mrs Henderson will understand if you explain what happened carefully.

Is he correct? Prove it!

REASONING 2

What is the same and what is different?

Darcey will definitely be the first to arrive to school because she lives the closest.

Darcey will obviously be the first to arrive to school because she lives the closest.

REASONING 3

Odd One Out!

You have certainly made a tremendous effort with your latest sculpture.

If we have enough time, we could possibly go into the arcade before we travel home.

She was clearly surprised to see the number of birthday cards she'd received.

REASONING 4

True or False?

The sentence uses an adverb which shows uncertainty.

In the maths quiz, she undoubtedly earned the highest score.

Convince me.
