

Spurcroft Primary School Charter

During their time at Spurcroft, all pupils will have the opportunity to:

- Develop their responsibility, self-belief, creative thinking and teamwork, showing ambition and kindness, in line with our school values
- Achieve the best they can, leaving Spurcroft ready for the next stage in their learning
- Develop understanding of what it means to 'know more and remember more'
- Take part in performances to audiences
- Learn to recycle and reduce waste
- Regularly visit places of interest, and learn by having visitors into school to share their experiences
- Participate in at least five different sports in lessons, and represent the school at a sporting event
- Represent the school at a community event
- Learn about Thatcham and the local area
- Take part in fundraising activities
- Have the opportunity to play an instrument
- Learn basic first aid and basic road safety
- Grow, tend and nurture a plant
- Cook a dish/healthy snack
- Explore British Values and human rights
- Learn tolerance of others and explore themes around being kind
- Take part in at least one residential visit
- Learn to ride their bike safely
- Take part in national days and events
- Contribute to making a difference to their community
- Learn to swim in Year 4 if they can't swim yet
- Learn in partnership with family members
- Learn with others from across the school
- Contribute to whole school development through opportunities such as School Council, Science Ambassadors, Club leaders, Assembly Leaders, Health & Wellbeing Ambassadors
